FLOREY BUILDING, OXFORD PHOTOGRAPHS BY RICHARD EINZIG

drop off, the entrance into a lower containing the 1st and 2nd fl.

eight level, the main level of the 3rd floor

In the north-west corner, with two of the two subsidiary staircases connecting

down into the lower level. The visual possibilities, again, are

sculptural, and the presence of the staircases, the

diminishing profiles are exploited by

Tremendous art and
